The Commissioner of Paten's being interviewed to day in reference to the extensive pirating of American patents now practiced in Germany, said the only way by which it could be prevented was the indirect one of imposing a heavy tax upon German patents in this counry. Such a course he thought would induce the German Government to institute measures by which the evil complained of could be corneved.

In an interview with General McCook at the War D, partment at noon to day that gentleman said the Government had received nothing later than the press dispatches from San Francisco. It however anticipated no difficulty from that quarter. It had furnished ammunition to the volunteer militia of the city and charged it to California's quota, and would have done the same in a similar case anywhere else. The Government he said had troops on the islands near San Francisco and those troops were ready to proceed at a moment's notice to the protection of the city if the Governor of the State made the proper call for them, but such a call was not anticipated. The condition of affairs Low in San Francisco was just the reverse, he said, if that that prevailed during the troublesome times there before. Body Found.

NEW YORK, Aug. 25.-The drowned body of a man was found this morning in the North river, and was removed to the morgue. Upon it was found a letter addressed to Timothy Kelly, Blackstone, Mass., written by his daugh ter, Mary Acn Worth, who eigned her resi-dence as at 173 Variek street. It related to family matters, complaining of the bitter pangs of poversy. In it had been enclosed a dollar bill as help for the receiver. It is altogether probable that the drowned man was Timothy Kelly, her father, and that poverty and want drave him to suicide.

Supposed Incendiary Fire. CONCORD, N. IJ., Aug. 25,-It is believed that the fire which destroyed the farm bui'diegs of Samuel R. Noyes at Bow, N.
